

TOROIDAL TRANSFORMERS

Single-phase transformers manufactured in accordance with **isolating** and **safety isolating transformers** (IEC 61558-2-4 and IEC 61558-2-6 standards).

When the products do not comply in the field of the application of these standards, one applies the standards related to the specifications.

These transformers are produced under specification of the customer .

INSULATION SYSTEM : **CLASS "B" (130°C)**
or different if required
